THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

UNDERSTANDING YOUR HEALTH RECORD/INFORMATION

Each time you visit a hospital, physician, dentist, or other healthcare provider, a record of your visit is made. Typically, this record contains your symptoms, examination and test results, diagnoses, treatment, and a plan for future care or treatment. This information often referred to as your health or medical record, serves as a basis for planning your care and treatment and serves as a means of communication among the many health professionals who contribute to your care. Understanding what is in your record and how your health information is used helps you to ensure its accuracy, better understand who, what, when, where, and why others may access your health information, and helps you make more informed decisions when authorizing disclosure to others.

YOUR HEALTH INFORMATION RIGHTS

Unless otherwise required by law, your health record is the physical property of the healthcare practitioner or facility that compiled it. However, you have certain rights with respect to the information. You have the right to:

1. **Receive a copy of this Notice of Privacy Practices** from us upon enrollment or upon request.
2. **Request restrictions on our uses and disclosures of your protected health information** for treatment, payment and health care operations. 5. **Request an amendment to your protected health information.** However, we may deny your request for an amendment, if we determine that the protected health information or record that is the subject of the request:
 - was not created by us, unless you provide a reasonable basis to believe that the originator of the protected health information is no longer available to act on the requested amendment;
 - is not part of your medical or billing records;
 - is not available for inspection as set forth above; or
 - is accurate and complete.In any event, any agreed upon amendment will be included as an addition to, and not a replacement of, already existing records.
6. **Receive an accounting of disclosures of protected health information** made by us to individuals or entities other than to you, except for disclosures:
 - to carry out treatment, payment and health care operations as provided above;

7. **Revoke your authorization to use or disclose health information** except to the extent that we have already been taken action in reliance on your authorization, or if the authorization was obtained as a condition of obtaining insurance coverage and other applicable law provides the insurer that obtained the authorization with the right to contest a claim under the policy.
